## SUFFOLK COUNTY ADMINISTRATIVE CODE SECTION A5-7

**§ A5-7. Contractors and vendors required to submit full disclosure statement. [Derived from L.L. No. 14-1976, as amended 2-27-1979 by L.L. No. 6-1979]**

A. Definitions. As used in this section, the following terms shall have the meanings indicated:

**CONTRACT** - Any written agreement between Suffolk County and a contractor or vendor to do or perform any kind of labor, service, purchase, construction or public work, unless the contract is for a federally or state-aided, in whole or in part, program required to be bid pursuant to § 103 of the New York General Municipal Law. [Amended 6-29-1993 by L.L. No. 28-1993<sup>1</sup>]

**NOTE: L.L. No. 28-1993 also provided as follows:**

**Section 1. Legislative Intent.**

This Legislature hereby finds and determines that Suffolk County's comprehensive Contractor/Vendor Public Disclosure Statement Law currently applies to a broad array of contracts that exceed one thousand dollars (\$1,000.) in value, subject to exemptions for contractors doing business with the County Department of Social Services; hospitals; educational, medical, and governmental entities; and not-for-profit corporations.

This Legislature further finds and determines that these exemptions prevent full disclosure of important information that may be useful to elected county officials in determining whether or not specific types of contracts are in the public interest, especially in light of recent trends towards privatization and use of outside consultants on an increased basis by municipalities.

Therefore, the purpose of this law is to eliminate many of the exemptions from completing and filing verified public disclosure statements with the County Comptroller available to certain contractors providing social services or health services contracts.

(a) submit a new Empire Zone Development Plan by January 1, 2006 to the Department for approval, as described in Section 962 of the General Municipal Law, for the Zone, and demonstrate the methods by which the applicant intends to promote the development of new business and the expansion of existing business within the Zone, set forth in Appendix C hereto;

(f) assist the Local Zone Certification Officer, when requested, in collecting Business Annual Reports, when due, from certified Zone businesses, assisting certified Zone businesses in preparing such reports and other program reports as requested by the Department, and reviewing such reports for completeness; and

(g) stimulate the creation and expansion in the Zone of new and existing minority and women-owned business enterprises, as more fully described in the Contractor's application, attached hereto as Appendix B:

(i) for the purposes of this paragraph, a "minority business enterprise" means any business enterprise, authorized to do business in this State, including a sole proprietorship, partnership, or corporation that is at least fifty-one percent (51%) owned by one or more minority group members; an enterprise in which such ownership is real, substantial and continuing, and in

B. Staff.

1. To accomplish the foregoing services, the Contractor shall maintain the staff described in Appendix B, who shall perform the responsibilities set forth in the job descriptions contained in said Appendix.

2. The Contractor shall advertise any vacancies of the above positions for a minimum of eight (8) consecutive days, running from Sunday to Sunday, in one or more daily newspapers that serve the local population. For purposes of this Agreement, the Department's Project Manager (the

"Project Manager") shall be the Empire Zones Program Director or his/her designee. All appointments of staff are subject to the review and approval by the Project Manager.

C. Reports.

1. The disbursements provided for by Article III of this Agreement are contingent upon the receipt and approval by the Project Manager of the financial reports, business annual reports by July 15, 2006, and the zone annual report by September 1, 2006. If the Contractor fails to submit any of the reports required pursuant to this Agreement, the Department, in its sole discretion, may withhold payment, reduce the amount payable to the Contractor, cancel this Agreement, and or take any other action the Department deems appropriate. The financial reports described below shall be in addition to the annual report required by Section 963(b) of the General Municipal Law, attached hereto as Appendix D.

The Contractor shall submit to the Project Manager and to the Department's Finance Officer financial reports based on the contract year, in the form required by the Department's Finance Officer, which shall set forth receipts and expenditures of funds pursuant to this Agreement during the preceding period.

2. In addition to the financial reports, the Contractor shall submit to the Project Manager and the Department's Finance Officer within a reasonable period of time after June 30, 2006 either (a) or (b):

(a) a report prepared by an independent certified public accountant which describes the receipts and expenditures of funds pursuant to this agreement. This review shall be in accordance with generally accepted accounting principles. The report shall include an opinion as to whether the financial reports submitted by the Contractor to the Project Manager and the Department's Finance Officer represent true and accurate costs and reimbursements; or

(b) if the Contractor is regularly subject to a financial audit of its activities, and the audit is conducted by an independent certified public accountant, and the activities which the contractor engages in pursuant to this contract are subject to the audit, then the relevant portions of the audit can be submitted in place of the report called for in section (a) above.

D. Meetings.

1. The Contractor shall make available any of its officers, employees, consultants, subcontractors or agents for consultation with the Department concerning matters pertaining to this Agreement. The Contractor shall notify the Project Manager of all meetings of the Contractor concerning matters pertaining to this Agreement and shall forward to the Project Manager a copy of minutes of all such meetings.

E. Purchases.

1. Each purchase of furnishings, equipment, printing, supplies, or other property made pursuant to this Agreement, whose cost exceeds \$5,000 but does not exceed \$15,000, shall be made with the approval of the Project Manager. The Contractor shall make a reasonable effort to obtain the lowest price possible.

2. Each purchase of furnishings, equipment, printing, supplies, or other property, made pursuant to this Agreement, costing in excess of \$15,000, shall be made with the approval of the Project Manager, and shall be made in accordance with the following requirements:

(a) The Contractor shall invite bids for such purchase and shall choose the lowest responsible bidder; and

(b) Bidding shall not be required where the Contractor submits to the Project Manager information sufficient to establish that the property to be purchased is available only from a single or sole source. However, such single or sole source purchases must have the prior approval of the Project Manager. For purposes of this agreement, sole source contracts are defined as where only one vendor is capable of supplying the required services or properties because such service or property offered is so unique that it cannot be duplicated or obtained elsewhere, or involves creative artistry of a similar nature. Single source contracts are defined as where, although more than one vendor can supply the required services or properties, circumstances of a material and substantial nature make the awarding of the contract to one vendor over the other appropriate.

The requirement for competitive bidding may be waived upon prior written approval of the DPD Officer provided that prior to the acceptance of such services or properties the Contractor provides a detailed written statement to the Department which describes the sole or single source determination, the alternatives considered, and the terms of the proposed contract. In addition, the Contractor must establish, to the satisfaction of the Department, the reasonableness of the proposed expenditure. In general, the price charged to the Department should be no greater than the price charged in the private sector. Sole/single source contracts are to be avoided whenever possible.

3. The Contractor shall maintain a separate detailed inventory of all the furnishings, equipment and other non-consumable property purchased with funds provided pursuant to this Agreement and shall provide the Department with a true copy of such inventory.

4. Upon completion of the Contractor's performance of this Agreement or upon earlier cancellation of this Agreement, such furnishings, equipment or other property purchased by the Contractor shall be disposed of in accordance with the Department's directives.

F. Minority and Women-Owned Business Enterprise Commitments.

1. General Requirements.

The Contractor acknowledges that it is the policy of the Department to provide maximum practicable opportunities for certified minority and women-owned business enterprises ("MWBEs") to participate in the performance of the Department's contracts. The Contractor agrees to use its best efforts to solicit and obtain the participation of MWBEs on this contract and to periodically report on such efforts, upon the request of the Department.

2. Minority and Women-Owned Business Enterprise Participation Goals.

Pursuant to Article 15-A of the Executive Law and regulations adopted thereunder, the Department has established a zero goal for the participation of certified minority-owned business enterprises and a zero goal for the participation of certified women-owned business enterprises on the Project or services to be performed under this Agreement.

II. OUTSIDE CONTRACTED SERVICES.

A. Preliminary Approval.

Whenever the Contractor determines that the special expertise of a subcontractor or consultant is required, the Contractor shall so notify the Project Manager. The Contractor shall detail those specific tasks a subcontractor or consultant would be required to perform, together with a description of the expertise of the subcontractor or consultant. The Project Manager shall review the request of the Contractor and give approval or disapproval of the use of the subcontractor or consultant services and the reasons therefor. The Contractor shall not contract to retain a subcontractor or consultant prior to approval of the Project Manager.

B. Selection Procedure.

In the event that the Project Manager approves the use of a subcontractor or consultant, such services shall be contracted for according to the following procedure:

1. Where the cost of the subcontractor or consultant services to be contracted for will exceed \$15,000, the Contractor shall invite bids for such services and choose the best value, all subject to the written approval of the Project Manager. Best value means the basis for awarding contracts for services to the offeror which optimizes quality, cost and efficiency, among responsive and responsible offerors. Prior to soliciting bids, the public bidding plan shall be presented to the Project Manager for approval; and

2. Regardless of whether the Contractor procures subcontractor or consultant services as the result of competitive bidding or otherwise, the choice of the subcontractor or consultant must be justified. The Contractor must indicate the subcontractor's or consultant's background, experience and other pertinent information, as well as the hourly rate and the hours required, to the Project Manager.

III. CONSIDERATION AND FISCAL PROCEDURE.

A. Payment.

In full consideration for all the services performed by the Contractor in a manner satisfactory to the Department, and subject to the availability of state funding, the Department shall pay to the Contractor a sum not to exceed **THIRTY-SEVEN THOUSAND FIVE HUNDRED TEN DOLLARS (\$37,510)** at the rates set forth in the budget contained in Appendix B (the "Budget"), in the ordinary course

of State business, upon receipt of duly authenticated invoices and upon the receipt and approval by the Project Manager of the required financial reports, business annual reports, and the zone annual report, provided, however, that ten percent (10%) of the full amount of said consideration shall not be payable to the Contractor unless and until the Contractor fully performs provisions of the contract set forth at I.A. 1. (a) - (g), and I.C.

In addition, the zone will be measured throughout the term of the contract in light of the following criteria: has the zone

- (1) to the best extent possible, achieved the objectives set forth in the Development Plan, including, the encouragement of businesses to create jobs and/or invest in their zone facilities, and otherwise performed the duties of the office;
- (2) submitted the required reports outlined in this contract on a timely basis;
- (3) maintained skills and capacity of the zone office necessary to provide required services to the zone community and businesses;
- (4) attended all conferences, workshops and meetings conducted by this Department;
- (5) expended and invoiced a minimum of sixty percent (60%) of the total amount of funds authorized under the Budget, as set forth in this Article III , by February 1, 2006;
- (6) achieved and maintained current GIS capabilities for mapping current Empire Zone boundaries; and
- (7) submitted accurate documentation for business certifications and boundary revisions in a timely manner.

Funds must be drawn down on a regular basis during the year (either monthly or quarterly) to the extent that the zone has expenditures during these periods. All funds must be dispersed by the Department to the Contractor no later than September 16, 2006. All requests for disbursements must be received by the Department by August 15, 2006.

B. Separate Account.

The Contractor shall set up a separate account within its ledger to be used only for funds received pursuant to this Agreement. Such funds shall not be commingled in this account with funds received from any other source or funds received pursuant to any other agreement.

C. Release.

The acceptance by the Contractor of the amount certified by the Department as final payment for the Contractor's services pursuant to this Agreement shall release the Department from any and all claims, causes of action and liability to the Contractor, or to its legal representatives, arising out of or relating to this Agreement.

D. Travel Expenses.

If travel is budgeted for by the Contractor in Appendix B, no expense shall be incurred for travel in excess of travel expenses permitted under the rules and regulations governing travel by New York State employees. The Contractor shall incur no expenditures for travel outside of the State of New York without prior written approval by the Project Manager. Such prior written approval shall be required, notwithstanding the fact that the Budget may include an amount designated as expenses for travel outside of New York State.

E. Unauthorized Expenditures and Uses.

The Contractor shall not expend State funds for any purpose not provided for in the Budget. In the event that the Contractor uses State funds for any purpose not provided for in the budget or spends State funds in excess of the amounts in the Budget, the Department, in its sole discretion, may cancel this Agreement, reduce the amount payable to the Contractor by the amount of such over-expenditures, and/or take any other action the Department deems appropriate.

F. Budget Modifications.

The Budget contains the fees to be charged and expenses to be incurred by the Contractor during the term of this Agreement. The Contractor shall submit all requests for Budget Modifications to the Local Empire Zone Board Chairman for review. The rates of reimbursement contained in the budget shall not be increased. MEMORANDUM OF UNDERSTANDING made this 3<sup>rd</sup> day of June 1998

2003, by and between the TOWN OF RIVERHEAD, having its principal office at Town Hall, 200 Howell Avenue, Riverhead, New York, 11901, (hereinafter referred to as "the Town") and the COUNTY OF SUFFOLK, having a principal office at the H. Lee Dennison Building, 100 Veterans Memorial Highway, Hauppauge, New York 11788 (hereinafter referred to as "the County").

WHEREAS, on September 16, 1997 the Suffolk County Legislature adopted Resolution No. 803-1997 setting forth zone boundaries and authorizing the Suffolk County Executive to submit an application for Economic Development Zone designation as primary applicant, and the TOWN as joint applicant adopted Local Law 12-1997 on September 29, 1997 which designated the boundaries of the zone, the Town Attorney as the ZONE certifying officer, and the generic composition of the Zone Administration Board ("ZAB"), which actions were taken in consultation with and upon the advice of the New York State Department of Economic Development ("DEPARTMENT")

WHEREAS, the DEPARTMENT reviewed the application, as submitted, and recommended approval, and designation of a portion of the Calverton Enterprise Park as an Economic Development Zone (subsequently renamed "Empire Zone" and hereinafter referred to as "ZONE"), was then made by the Empire Zone Designation Board, in June of 1998; and

WHEREAS, the composition of the Zone Administration Board has been constituted in accordance with the application and appointments made thereto by Resolutions of the Riverhead Town Board including Resolution #747 (1998), 1098 (1998), and 519 (1999), and in 1999 the COUNTY and TOWN agreed, with the concurrence of the DEPARTMENT, that the Chairperson of the ZAB shall be the County Executive's designee and that the balance of the ZAB would be maintained, as constituted by the TOWN;

WHEREAS, the DEPARTMENT has now determined, by letter dated January 13, 2003, that the COUNTY must adopt a Local Law to be in compliance with General Municipal Law Section 961, and regulations promulgated thereunder;

WHEREAS, a Boundary Revision Preapplication was submitted for the ZONE in 1999 requesting allocation of the 32 undesigned acres in the ZONE to downtown Riverhead, and including a detailed specific map of the area to be so designated;

WHEREAS, the COUNTY requested certain changes to the boundaries of the ZONE beginning in December 2001; and

WHEREAS, on June 5, 2002 the ZAB approved a proposal to include ZONE designation on 32 acres of downtown Riverhead, 25 acres in Riverside, 139.45 acres within the fence at Grumman and 48 acres at Gabreski Airport;

WHEREAS, on July 11, 2002, the ZAB submitted to the DEPARTMENT a Preliminary Boundary Revision proposal which requested that the 32 undesigned acres in the ZONE, together with 292.26 acres from within the ZONE shall be reallocated as approved at their June 5, 2002 meeting;

WHEREAS, a Public Hearing on the 2002 Preliminary Boundary Revision proposal was duly noticed for and held on September 3, 2002 by Resolution of the Town Board of Riverhead;

WHEREAS, on December 3, 2002, the Riverhead Town Board defeated Resolution #1209 (2002), which had support of the ZAB, and in its place adopted Resolution #1245 (2002), reflecting transfer of 61 acres to downtown Riverhead and 139 acres within the industrial area at Calverton Enterprise Park.

IT IS HEREBY AGREED, by and between the parties as follows:

1. The COUNTY shall enact a Local Law in accordance with General Municipal Law Section 961 designating the Riverhead Town Attorney as ZONE certifying officer, and designating the generic composition of the ZAB and the boundaries of the ZONE, to mirror the TOWN's own Local Law 12-1997. The TOWN shall adopt legislation amending the boundaries of the Empire Zone as detailed in numbered paragraph five (5) of this Memorandum of Understanding.
2. Neither the COUNTY nor the County Executive's designee to the ZAB shall take any action to reconstitute the ZAB other than that the Suffolk County Legislature shall appoint two (2) additional ZAB members to represent the two new zone areas, Wyandanch and Riverside. Any future appointments or filling of vacancies, other than that of the County Executive's designee, Wyandanch and Riverside representatives shall be made by the Riverhead Town Board.

3. The TOWN's Community Development Agency is the entity authorized by the Zone Administrative Board (ZAB) to administer the ZONE, and shall continue to be such, recognizing that the ZONE administrators have full responsibility to promote and assist the development of businesses in those areas of Suffolk County covered by this Memorandum of Understanding, which are duly authorized subzones.
4. The Zone Coordinator will continue on the TOWN's payroll and will continue to report directly to the Director of the Community Development Agency in the Town of Riverhead.
5. A revised preliminary Boundary Revision application shall be submitted to the DEPARTMENT, upon approval by the ZAB, for which a Local Law must be adopted by the Suffolk County Legislature and the Riverhead Town Board, to include the following:
- a. 61 acres to Downtown Riverhead
  - b. 139.5 additional industrially-zoned acreage within the Calverton Site
  - c. 25 acres to Wyandanch, Town of Babylon
  - d. 7 acres to Riverside, Town of Southampton
  - e. Approximately 2 acres in Riverside, Town of Southampton comprised of six lots with tax map designations: 0900-118-02-3.1,4,5,6,7,29
  - f. 48 acres at Gabreski Airport, Town of Southampton
  - g. These parcels total approximately 282.5 acres, with a total of 1137 retained at the Grumman property.

6. Areas to be undesignated will include 53.43 acres within the fence retained by the US Navy, 14.57 acres from the sewage treatment plant site, and 180.5 acres of runway surface and taxi-way on the 7000 foot runway. These parcels, combined with the originally undesignated 32 acres, total 280.5 acres. Upon completion of this boundary revision, no undesignated acreage will remain.
7. Administrative funding will continue for the July, 2002 - June, 2003 contract year with funding from NYS at \$47,000, Suffolk County at \$29,000 and Town of Riverhead at \$24,000. The Town of Babylon has committed \$25,000 annually for administrative funding. The Town of Southampton has committed to a pro rata share of funding based on the annual administrative budget of the Suffolk County Empire Zone, to be calculated based on 7 acres of zone designation out of a total 1280. Additional funding may need to be sought from the Suffolk County Legislature, the Riverhead Town Board, the Southampton Town Board and the Babylon Town Board for future contract years should administrative funding not be provided in the state budget.
8. The ZAB Chairperson will prepare a revised preliminary boundary revision application for submission to the DEPARTMENT which will include all DEPARTMENT requirements as set forth in the most recent preliminary application forms. The TOWN will provide detailed information to the ZAB Chairperson relating to the areas within the TOWN for designation and undesignation as stated above, including

maps, tax map numbers of all downtown parcels, draft resolution of the TOWN authorizing boundary revision application in accordance with draft language provided by the DEPARTMENT, and specific details regarding the 182.5 acres of runway and taxi-way areas for deletion of designation and sewage treatment plant area, including maps, tax map parcel numbers, metes & bounds, and/or coordinates.

9. Upon adoption of appropriate authorizing resolutions by the Suffolk County Legislature and the Riverhead Town Board, and signatures of the chief elected officials of both jurisdictions, and the concurrence of the DEPARTMENT, this Memorandum of Understanding shall be deemed fully executed.
